

Storytelling Mat Workshop

Make a wet felted storytelling mat (or hanging or table runner!) using merino wool, a variety of silks, woollen knitting yarns, pre-felts, viscose fabrics and as many wonderful embellishments as I can fit in my suitcases!

No experience is required, only a love of playful experimentation with colour and pattern and texture. A great deal of fun!

When: 10.00am till 3.30pm. Sat. November 3rd.
